9. GENERAL CONDITIONS

Rates are nett to the operator and exclude all commissions and markups.

Where a service is shown in an operational quotation but no corresponding rate appears in this pack, the service must be re-quoted with the supplier before the quotation is issued.

Rates are subject to the rate of exchange of the day and to supplier confirmation. Seasonality and factors outside our control may influence final pricing.

Where a rate has been superseded by written supplier correspondence, the correspondence takes precedence over this pack.

Errors and omissions excepted.
